

## LOLO - 2022 S

**Name:** Lolo

**About:** VA Sponsors: Silke Merz 7.22 + VA Kelly-Louise Rowden 11.22 . Lolo was found without any microchip. He was very shy and timid when he first arrived. He must have had a bad time. He has improved daily. You can see he is out with the boys and he no longer tries to run for the hills at every little sound he hears. Lolo has lots of friends now, both doggy and human, so he is relaxed and quite happy. He would be happier still if we find him a good home with some nice family out there.
