

# MILA +LEUCEMIA

**Name:** Mila +Leucemia

**About:** Mila has been with us for many years and she is very sociable with other cats. At the beginning she was more reserved but now, despite being a shy cat, she lets herself be petted and cuddled. She is a cat that doesn't make any noise and she behaves very well in her room. She is positive for leukaemia but if you have another positive cat and you want to adopt her, that would be her biggest dream. Positive cats deserve to feel the warmth of a home.
