

SALGUERO

Name: Salguero

About: Salguero arrived at the shelter together with Valdes when he was only 4 months old, they were rescued by a Triple volunteer at the beginning of July/21. He has a black spot on his nose which makes him have a very nice and pretty face. He is a affectionate cat with people and he relates very well with other cats. He has been with us for more than a year and a half. Hopefully you can change his life and give him the home he has been dreaming of for so long. Write us if you want to meet him, he is waiting for you.
